PAVE[®] Inspections

Acquire remote vehicles confidentially
and dispose to wholesale instantly

Remote Consumer Vehicle Acquisition & Instant Wholesale Disposal

- Use PAVE Inspections to price remote acquisitions with condition adjusted price.
- Once acquired, use PAVE Condition Reports to spot list the vehicle for instant wholesale disposal

Simplicity of Inspecting – the PAVE Promise

PAVE provides our customers with simple-to-follow instructions to capture consistent, inspection-ready images, with no app to download and no images to upload in the process. Anyone who can take pictures on a smartphone is transformed into a skilled inspector with PAVE.

PAVE Can Transform Your Operations

- Confidently acquire consumer vehicles remotely
- Pay for one PAVE inspection and use it for consumer acquisition and disposal
- Easy way to instantly wholesale the vehicle with an AutoGrade CR in digital/ physical wholesale platforms
- Save money and expense on physical/ digital auction CR fee

Join us today in changing the way the world
inspects vehicles, forever
